The Richard M. and Sidney K. Robinson Scholarship Application

The Huron Valley Chapter of the American Institute of Architects in coordination with the Michigan Architectural Foundation announces a scholarship to an undergraduate who is entering the senior (fourth) year of architectural study at the Taubman College of Architecture and Urban Planning at the University of Michigan.

The Richard M. and Sidney K. Robinson Scholarship of \$3500 recognizes an undergraduate architecture student who aspires to a career that combines the roles of citizen and artist. Richard Robinson practiced architecture in Ann Arbor from 1950-1990 as a citizen who offered his knowledge and skills to the general society of shared goals that construct our built world. For him architecture was both a service and an art.

Richard Robinson was one of the founding members of the Huron Valley Chapter of the AIA which is celebrating its 50th anniversary in 2014 and the announcement of this scholarship in 2014 contributes to the marking of this anniversary.
